Our staff does a fabulous job to help make Christmas shopping as stress-free as possible. Thanks to all of you for another great year at Lori's.

And now for the next holiday.....Super Bowl Sunday-February 5th from 12 noon to 5 p.m. You won't want to miss this event. Great sales-free gifts-and food! Plus lots of fun! Don't miss this annual tradition at Lori's! See you soon,

New Patterns

"Fly Away Home" is brand new from one of your favorites, Caught Up In Stitches.

"Mary Jane Bag"-this bag is so cute and uses three fabrics, plus your favorite grommets. If you like this one, check out the class schedule and join Mirra to make this bag.

"Three Blind Mice"- is the cutest pincushion. We used ground walnut shells to fill the pincushion. They are economical and also help to keep your pins and needles sharp. We now sell ground walnut shells at Lori's.

"Sew the Perfect Gift"-new book from That Patchwork Place including 25 Handmade Projects from top designers. You are going to love this book-full of table runners, pillows, stylish bags, totes, and a scarf and many other unique accessories.

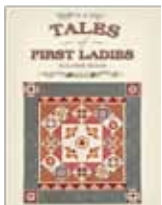

"Quilted Curves and Strips" with the AccuQuilt Go. Do you own an Accu Go cutting system? This book features 12 projects all using the Accu system and the cutting dyes. Some of the patterns also work with the Accu Go Baby. From totes to wallhangings to table runners to quilts, this book is loaded with great projects.

New Books

Just in from Quilt in a Day is **"Tales of First Ladies"** by Eleanor Burns. This book features a variety of quilt blocks, plus some wonderful information about the First Ladies. Have fun quilting, but also enjoy the wonderful history written by Eleanor.

"Just Spoolin Around"-new from Whimsicals. This book will be available in late February and you are sure to want to get your name in for one of the first copies. Stop in and check out the fabric collection. It is beautiful!

New Fabrics

Pre-cuts you are going to love - including Jelly Rolls (2 ½ inch Strips), Charm Packs (5-inch squares), and Layer Cake (10-inch squares) by Moda. Also Bali-Pops

2 ½ inch strips by Hoffman and Stone Strips by Northcott Monarch. These are great for all those patterns asking for pre-cut strips.

Heartstrings-brand new collection from Whimsicals. We've got it, the whole collection. It is a great group for decorating, quilting, bags, and more.

Ready Set Valentines Day!- Put a little spark of red in those winter days. Stop in and take a look at the Valentine's fabric. There is plenty of time to make 10 minute table runners. Kits and patterns are all available at Lori's.

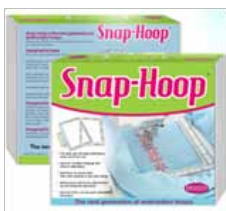

Nancy Zieman TV

Many of you have noticed we have a new staff member. Nancy Zieman is at our store, at least the cardboard version. In fact many of you tell us she looks pretty real. She is here to tell you about her

videos. You can sign up to receive our emails and once a month you will receive a video from Nancy. These are quite professionally done and easy for you to apply to your sewing projects. Stop in and check it out.

New Products

Snap-Hoop™-This is an ideal hoop for multiple hoopings and allover machine embroidery. Lori's carries hoops that fit on BabyLock, Brother, Pfaff, and

Viking machines. Look for 4 by 4- inch, 8 by 8- inch, and 5 by 7- inch.
